Purpose of Role (Why does this role exist?)

This role will be instrumental in managing the practical delivery of referee programs across the zone.

The role will be responsible for the development of grassroots and elite refereeing, with particular emphasis on raising the standard of referee education and coaching across the zone.

Key Areas of Responsibility (Over what areas does this role have responsibility and accountability?)

- Coordination of the refereeing pathway within the Zone including the Zone Talent Pool
- Coordination of all FFA accreditation courses within the Zone including delivery as well as the mentoring of other deliverers
- Leadership and advice for all Area Coaches, in particular in the area of coaching and assessment
- Promotion of refereeing education and training programs and coordinate recruitment and retention initiatives across the region
- Work with NNSWF in delivering the State Talent Pool and other relevant initiatives NNSW provide the zones.
- Assisting with regular communication to referees, including course, development and

coaching material

- Provision of support to the Zone and referees, including matters relating to the Laws of the Game
- Provision of regular and ongoing refereeing content for the Zone (and other) websites

Project & Program Planning and Delivery

- Attend state coaching committee meetings held from time to time.
- Attend the annual seminar of the State League Referees. Conducted on the first Sunday in February each year.
- Organise and coordinate the annual Referee seminar of the Zone
- Assist in implementing national and state coaching policies and coaching material.

Communication (internal)

- Provision of advice and material on refereeing matters to the across the Zone.

Communication (external)

- Assisting with regular communication to referees, including course, development and coaching material
- Provision of support to referees and refereeing groups, including matters relating to the Laws of the Game

Leadership

- Provide direction and advice for all Area Coaches, in particular in the area of coaching and assessment

Key Outcomes (What will this role achieve? What are the measures of success?)

- Consistent and widespread delivery of accredited courses, workshops and seminars aimed at improving the education of match officials
- Effective and consistent coaching of match officials throughout the zone with the aim of improving the quality of match officiating
- Identification and development of a larger number of talented match officials who progress through NNSWF development programs to the State Talent Pool
- Regular reporting to the Zone Manager

Knowledge, skills and behaviour required (Competency)

- Proven skills and experience in the area of referee accreditation course delivery
- Formal refereeing Accreditation \ Qualifications and experience in the coaching of referees. Desirable to have a level 3 Instructor and level 2 assessor accreditation.
- Excellent written and verbal communication skills
- Highly organised with a strong attention to detail
