- it provides toilet facilities and dressing room facilities (where possible) that are hygienic and clean;
- it provides a safe environment for players, officials and spectators;

- all players taking the field of play are correctly listed on the team sheet in legible writing;

all players are ready to commence the fixture at the scheduled kick-off time.

#### **Alcohol Consumption**

This clause will also apply to match officials, and coaches/managers.

**Facilities -** alcohol is only to be consumed in defined licensed areas at any club / facility. NCF maintains a policy of no consumption of alcohol outside of licensed areas. Team officials are responsible for ensuring persons comply with this rule.

Should persons be seen to be in breach of this rule, the home team official must advise such person to conform to the rules immediately. Should such person refuse to adhere to this request, the home team official shall be at liberty to liaise with the match referee to have the game stopped until the situation is resolved. All first named clubs will be deemed the "Home" team and will play in their nominated colours. In the event there is a clash of colours, it will be the responsibility of the visiting team to change into an alternative strip. Visiting teams should take their away strip (shirts, shorts and socks) to every match. Team managers should check the strip worn by their opponents on a weekly basis to avoid the likelihood of a clash. Goalkeepers can wear any colour provided it does not clash with either team or referees.
